2.5.2: Mechanism to deal with examination related grievances is transparent, time-bound and efficient

The students have to apply for queries/grievances related to the internal examination to The Institute follows term wise system of internal examinations as per guidelines given by Maharashtra University of Health Sciences. The performance of a student in each semester is evaluated subject wise with a maximum of 90 marks for theory in both terms and 90 marks for the practical examination in second term. Every student should get minimum 50% marks in all theory and practical exams. Display of mark lists and showing the evaluated answer sheet to the student are the measures taken as a part of the transparency in the evaluation system of internal examinations.

There is strict adherence to the Institute academic calendar and timely publication of results. Question paper is thoroughly scrutinized to ensure the standard, spread of the syllabus and mapping of COs and POs as per CCIM syllabus. IT integration in Examination During internal theory examinations Time table and sitting arrangement is displayed and it is in such way to prevent malpractices.

Members of examination committee visit the examination halls regularly. Mobile Phones are prohibited inside the examination halls to curtail malpractices. Examination results are displayed within 21 days of the last day of examination. Any grievances regarding result are resolved as early as possible. Result of internal assessment examinations is filled online in the software provided by MUHS, before one month prior to final University examinations.

Dates of University Examination and Time Table are displayed on University website well in advance. Examination forms of the University Examination are filled online and hall tickets are made available online to the college by the University. University Examination results are published online. Continuous internal assessment system: Internal assessment is done through conducting end semester theory and practical examinations as per guidelines issued

by MUHS. Seating and invigilation for endsemester examinations are organized by Examination committee. This leads to optimal smooth conduct of the examinations. Competency based assessment: Skills are assessed in practical examination which includes laboratory as well as clinical examination of the patient .Knowledge is assessed in theory examination and attributes like ethics in practice are assessed in Practical examination.

Workplace based assessment: During internal assessment examinations, in second term practical examination students are assessed to check competency as well as his/her clinical skills. Assessment is also done by distributing topics of projects, compilations, PPTs and students are asked to submit within stipulated time. Self-assessment: It is a powerful mechanism for enhancing learning. For clinical examination and Laboratory Practical, students are asked to perform on their own such as case taking, hematology practical etc. and assess self-performance. OSCE– Objective Structured Clinical Examination is designed to check clinical skills. This skill assessment is done in Internal as well as University Practical Examination of various clinical subjects. OSPE-The Objective structured practical examination is used as an objective instrument for assessment of laboratory exercises in preclinical sciences, particularly Physiology
