EVENT REPORT

Name Of The Activity	Seminar On Quality control in clinical laboratory	
Type Of Activity	Seminar	
Date And Time Of Activity	15/12/2022	10.00AM
No. Of Participants	18	
Resource Person	Dr. Ashwini Galande	
Coordinators	Dr. Gajanan Patil	
Description	<p>On December 15, 2022, a seminar on "Quality Control in Clinical Laboratory" was held at SSVP College of Ayurved and Research Center. The seminar aimed to enhance the understanding of quality control practices among the students and faculty members. The event commenced with the Principal extending a warm welcome to the participants and introducing the esteemed resource person. The resource person, an expert in clinical laboratory quality control, delivered an enlightening presentation, emphasizing the significance of maintaining high standards in laboratory procedures. The topics covered included the importance of accurate testing, calibration techniques, and adherence to regulatory standards. The Principal felicitated the resource person, acknowledging their valuable insights and expertise. Attendees actively participated in a question-and-answer session, fostering an interactive learning environment. The seminar provided a platform for attendees to gain practical knowledge and insights into the latest advancements in quality control methodologies within clinical laboratories. It served as an opportunity for networking and knowledge exchange among students, faculty, and the resource person. The event concluded</p>

Description	<p>On May 10, 2023, a seminar on "General Guidelines and Steps in the Research Process" was conducted at SSVP College of Ayurved and Research Center. The event, organized to provide valuable insights into the research methodology, was well-received by students and faculty alike. The Principal, in anticipation of the upcoming seminar, expressed enthusiasm about the importance of research in academic and professional pursuits during a pre-event address on May 7, 2023. The seminar featured a distinguished resource person who expertly navigated the audience through the general guidelines and essential steps in the research process. Topics covered included research design, data collection methods, ethical considerations, and effective literature review techniques. The Principal acknowledged the resource person's expertise and dedication during the seminar, expressing gratitude for their invaluable contribution to the academic community. Participants engaged actively in discussions and posed insightful questions during the interactive session, fostering a dynamic learning environment. The seminar concluded with the distribution of certificates to attendees as a token of appreciation for their participation. Description	<p>On August 23, 2022, as part of the Ayurveda Day celebration, SSVP College of Ayurved and Research Center organized a seminar focusing on osteoporosis awareness and prevention. The highlight of the event was the provision of free Bone Mineral Density (BMD) tests for patients at risk of osteoporosis. The seminar aimed to promote holistic health practices in line with Ayurvedic principles. The Principal, in an effort to support preventive healthcare, actively participated in the seminar and extended a warm welcome to the attendees. A distinguished resource person, well-versed in Ayurveda and osteoporosis, conducted the seminar, providing valuable insights into preventive measures and holistic approaches to bone health. The Principal, recognizing the importance of the initiative, felicitated the resource person for their contribution to promoting well-being through Ayurvedic principles. Patients at risk of osteoporosis were encouraged to undergo free BMD tests, allowing for early detection and intervention. The event successfully combined education and practical healthcare services, fostering a sense of community well-being. The Principal's recognition of the resource person</p>
