(Principal)

**3.4.4:** Institutional social responsibility activities in the neighborhood community in terms of education, environmental issues like Swachh Bharath, health and hygiene awareness, delivery of free/ subsidized health care and socio economic development issues carried out by the students and staff, including the amount of expenditure incurred during the last five years .

The institute conducts different extension activities to motivate the students for social responsibilities and to create awareness of social responsibilities in students. The curriculum is designed and implemented in such a way that students are automatically actively engaged in activities like health check-up camps, school health services, etc.

- 1) Ayurved college has a National service scheme (NSS) unit conducting activities -“Gram swachhata” “Swachha Bharat Abhiyan”, Blood donation /Organ donation Rally, Sarva Rog Nidan Shibir, Health Survey, Personal Hygiene/ General Health problems in Females, Diet, Health, Roadshow avoiding female foeticide, Tree Plantation, Swachhta Pakhwada, Poster exhibition on organ donation for the public during the admission process, Special Camp in Village – including activities on swachhta, rally, demonstration of medicinal plants, yogasana to school children, Health check-up Camps
- 2) Ayurved hospital and college have adopted old age home, providing regular health check-up facility along with medicine distribution every Thursday.
- 3) Health awareness and check-up camps have been regularly conducted in peripheral Schools.
- 4) Clinical aid along with holistic cure comprising yoga, diet, counseling regarding lifestyle is made available to the neighbourhood community.
- 5) Under the guidelines of AYUSH, Institute has actively participated in Mega Camp at station with the participation of Interns and graduate students contributing social health services.
- 6) Tree Plantation Program – Under this, various plants are planted in College Campus to create awareness for protecting the environment.

7) The following table provides information on extension activities and values/skills imparted to the students.

Students' participation in these activities leads to knowledge enrichment, holistic development. Medical advancement and skill development programs are regularly organized in the Institute like

- Suvarnprashan sanskar for children below 5 years on every Pushya Nakshatra  
Environment awareness.
- Participation in National and International Yoga competition, Yoga day celebration.
- Delivering online lectures on a social platform like Facebook during the pandemic as a social responsibility.
- Organizing cyclothon to promote fitness.

Impact of the Extension and outreach programs on the students:

- Cultivation of human values among students, imbibing importance of moral, ethical, and social values.
- Awareness of the current health-related issues.
- Development of problem-solving attitude, sense of responsibility towards socially and economically backward class Participation in the nation-building process.
- Development of leadership qualities, group dynamics, and teamwork.
