1. Description of community based Teaching-Learning activities-

- Institute regularly allots a specific period of 6 months internship to interns. The interns are given the letters regarding that. The deputy health commissioner allots them the specific RHs and PHCs with residential facilities in various regions & talukas of Aurangabad in order to enrich their skills.
- Institute has adopted an old people shelter called Sneh vriddhashram since 5 years & a team of MO, interns, students, consultants & nurses visit there regularly to provide free health checkup & medicines are freely distributed & recently the institute has also made an MOU.
- Institute has two special ambulances which are fully equipped to carry the team of consultants, and students and nurses to various places thus successfully establishing community based learning of students.
