## ACTIVITY REPORT

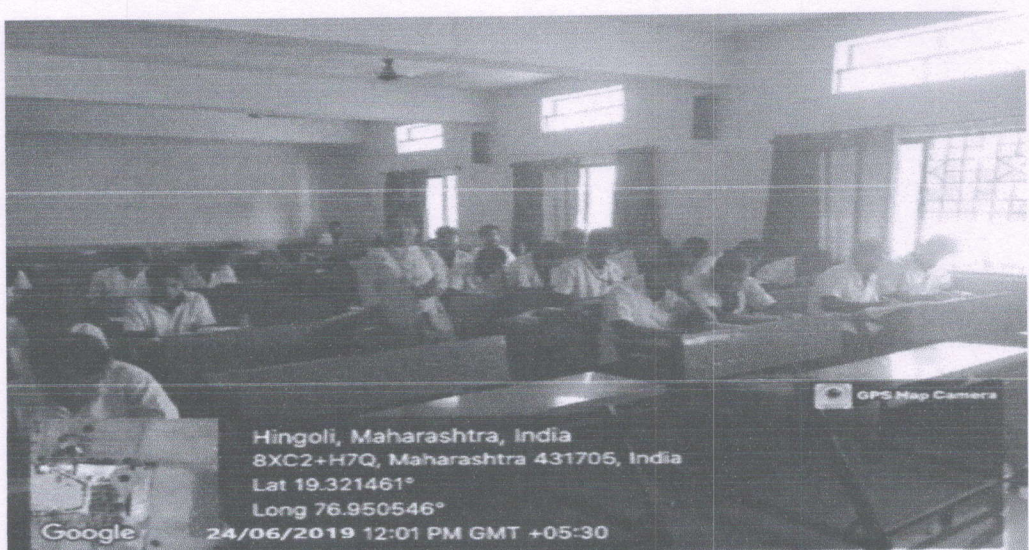

Name of the Activity	Conceptual background of Research	
Type of Activity	Analytical skill Development	
Date and Time of Activity	24/06/2019	12:00pm to 2:00 pm
Details of Participants	31	
Resource Person	Dr. Sukumar	
Description	<p>SSVP College of Ayurved and Research Center conducted a pivotal "Analytical Skill Development Program" centered on elucidating the "Conceptual Background of Research." The initiative aimed to equip students with essential skills to navigate the intricacies of research methodologies effectively.</p> <p>The program initiated with a comprehensive exploration of the foundational concepts crucial for robust research. The resource person, an esteemed expert in research methodology, highlighted the significance of crafting precise research questions, formulating hypotheses, and grasping the theoretical frameworks guiding scientific inquiry.</p> <p>Participants actively participated in discussions and practical exercises, fostering an enhancement of their analytical capabilities. The resource person's presentation delved into diverse research paradigms and methodologies, fostering a profound comprehension of the scientific rigor indispensable in the pursuit of knowledge.</p> <p>The principal of SSVP College, conveyed appreciation for the resource person's invaluable contributions to analytical skill development. A felicitation ceremony ensued, during which the principal acknowledged the resource person's commitment to elevating research competencies among students. The event exemplified SSVP College's dedication to providing a comprehensive academic foundation, emphasizing not only subject-specific knowledge but also the</p>

Name of the Activity	Basic understanding of qualitative and quantitative research designs	
Type of Activity	Analytical skill Development	
Date and Time of Activity	11/03/2020	10.30 am to 12:30 pm
Details of Participants	30	
Resource Person	Dr. Dhananjay	
Description	<p>SSVP College of Ayurved and Research Center hosted a transformative "Analytical Skill Development Program" with a specific focus on cultivating a "Basic Understanding of Qualitative and Quantitative Research Designs." The initiative aimed to equip students with essential skills to discern and apply various research methodologies effectively.</p> <p>The program commenced with a comprehensive exploration of the distinctions between qualitative and quantitative research designs. The resource person, a distinguished expert in research methodology, elucidated the principles underpinning each approach, emphasizing their respective strengths and applications in the field of Ayurveda.</p> <p>Through engaging discussions and practical examples, participants developed a nuanced understanding of how to choose and implement the most appropriate research design based on the nature of their inquiries. The resource person's presentation delved into real-world applications, illustrating the significance of blending both approaches for comprehensive research outcomes.</p> <p>The principal of SSVP College, expressed gratitude for the resource person's invaluable contribution to analytical skill development. A felicitation ceremony followed, during which the principal acknowledged the resource person's commitment to advancing research competencies among students. The event highlighted SSVP College's commitment to providing a well-rounded education,</p>

Description	<p>SSVP College of Ayurved and Research Center conducted a comprehensive "Analytical Skill Development Program" focusing on the "Tools and Techniques of Data Collection." The initiative aimed to empower students with the necessary skills to gather and analyze data effectively in the realm of Ayurvedic research.</p> <p>The program commenced with an insightful exploration of various tools and techniques used in data collection, spanning both qualitative and quantitative research approaches. The resource person, an expert in research methodology, provided practical insights into surveys, interviews, observations, and other methodologies, fostering a holistic understanding of data collection strategies.</p> <p>Attendees actively engaged in hands-on exercises and discussions, gaining proficiency in selecting the most appropriate tools for specific research inquiries. The resource person's presentation delved into the nuances of ensuring data accuracy, reliability, and ethical considerations in the research process.</p> <p>The principal of SSVP College, expressed appreciation for the resource person's invaluable contribution to analytical skill development. A felicitation ceremony ensued, where the principal acknowledged the resource person's dedication to enhancing students' competency in data collection. The event underscored SSVP College's commitment to providing a robust research foundation, ensuring students are well-equipped to contribute meaningfully to the evolving field of Ayurveda.</p>

Description	<p>SSVP College of Ayurved and Research Center conducted a significant "Analytical Skill Development Program," focusing on "How to Design a Basic Analysis Plan." The program aimed to empower students with essential skills in formulating structured and effective plans for analyzing research data in the field of Ayurveda.</p> <p>The event began with an in-depth exploration of the fundamental components of analysis plans, emphasizing the importance of clarity and precision in outlining the steps involved. The resource person, an expert in research methodology, guided participants through the process of selecting appropriate statistical tests, defining variables, and establishing a coherent framework for data interpretation. Practical exercises allowed attendees to apply the concepts learned, enhancing their proficiency in designing analysis plans tailored to specific research objectives. The resource person's presentation illuminated the significance of aligning the analysis plan with the research question, ensuring robust and meaningful outcomes.</p> <p>The principal of SSVP College, expressed gratitude for the resource person's invaluable contribution to analytical skill development. A felicitation ceremony followed, wherein the principal acknowledged the resource person's dedication to enhancing students' competency in research analysis. Description	<p>SSVP College of Ayurved and Research Center organized a significant "Analytical Skill Development Program" focused on "Ethical Principles of Research and Grasping the Ethical and Regulatory Processes in Human Research." The program aimed to cultivate a profound comprehension of ethical considerations and regulatory frameworks in the conduct of research, especially in the realm of human studies.</p> <p>The initiative began with a thorough exploration of the ethical principles governing research, stressing the significance of honesty, respect for participants, and adherence to ethical guidelines. The resource person, an authority in research ethics, led participants through the ethical and regulatory aspects inherent in human research, ensuring a comprehensive understanding of key principles like informed consent and safeguarding participants' rights.</p> <p>Interactive discussions and practical case studies provided attendees with opportunities to apply ethical principles to practical research situations, fostering a heightened awareness of ethical responsibilities. The resource person's presentation highlighted the critical role of ethical considerations in maintaining the credibility and reliability of research findings.</p> <p>The principal of SSVP College, expressed appreciation for the resource person's indispensable contribution to analytical skill development. A felicitation ceremony ensued, during which the principal recognized the resource person's commitment to enriching students' comprehension of ethical research practices. The event underscored SSVP College's dedication to nurturing not only analytical acumen but also a robust ethical foundation in Ayurvedic research endeavors.</p>
