| Description | <p>SSVP College of Ayurved and Research Center recently hosted a Language and Communication Development Program, emphasizing the Use of Simple Words in Interactions with Patients in OPD and IPO. The initiative aimed to enhance the communication skills of aspiring Ayurvedic practitioners, recognizing the significance of clear and straightforward language in patient interactions.</p> <p>The program began with a thoughtful exploration of the challenges in effective communication within healthcare settings. Special attention was given to the use of simple and easily understandable language, ensuring that patients, both in the Outpatient Department (OPD) and Inpatient Observation (IPO), receive information in a comprehensible manner. Practical scenarios and role-playing exercises allowed participants to practice the art of simplifying medical jargon for better patient comprehension.</p> <p>The resource person, an expert in healthcare communication, delivered an insightful presentation, emphasizing the importance of empathy and clarity in conveying information to patients. Attendees gained practical skills in tailoring their communication to meet the diverse needs of patients.</p> <p>The principal of SSVP College, expressed gratitude to the resource person for their valuable contributions.
